Sponsorship Opportunities

Session Webinar Series

Winter 2026

Support our efforts to educate the community through accessible updates on TCI's legislative priorities, analysis of Virginia's state budget, and essential session recaps.

Coffee & Conversation

Year-round

Help supporters dive deeper into policy issues they care about through intimate conversations with TCI staff. Small audiences will get to have exclusive, personal time to explore topics most meaningful to them and get questions answered in real-time.

Social Hours

Spring/Summer 2026

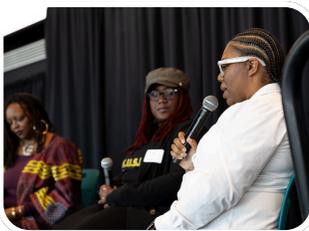

Partner with us to introduce new and prospective supporters of TCI at fun and relaxing mixers. Guests will get a chance to network with TCI staff to learn about the organization and celebrate wins from the 2026 legislative session.

Collective Power: 20 and Beyond

October 2026

The 20th anniversary edition of this powerful fundraiser will feature an evening reception to highlight the impactful work TCI accomplished in 2026 and what lies ahead to continue advancing racial and economic justice. Attendees will hear from special guest speakers, dine on delectable eats and drinks, and share impactful networking opportunities. We also plan to premiere a brand new TCI video that captures our mission, vision, policy wins, and value to the community.

Annual Policy Summit

November 2026

We will cap off the year with our signature policy summit, a day-long event for advocates and communities across the commonwealth to come together to learn from each other, gain new skills, grow our advocacy, and strengthen our voices for progressive policy solutions in Virginia.
