

SPONSORSHIP OPPORTUNITIES

Celebrate 20 Years of Progress. Help Power What Comes Next.

For 20 years, The Commonwealth Institute has worked alongside partners and communities to turn strong research and policy ideas into meaningful change across Virginia. On November 9, 2026, we'll bring people together for our annual Policy Summit — a day of learning, conversation, and connection — followed by our 20th anniversary reception.

Together, we'll dig into the policy choices shaping Virginia, build connection for the work ahead, and celebrate two decades of progress and the people who made it possible.

Your sponsorship helps make both events possible while supporting TCI's work in the years ahead.
